

Description

This support's manual contains information about how to update NEO's firmware with the program NEO APP.

1. Load file messages.

Set the correct password at initial windows (please contact to support@lda-audiotech.com)

Login Request	B	
Enter access password		
Login EXIT		
	Login Request Enter access password Show password Login EXIT	Login Request Image: Comparison of the second sec

Next, put the IP Address of your NEO and click the button connect. For example, IP Address 192.168.3.50.

	Connection IP Address		
	192.168.3.50)	Connect
	Status:	Dis	connected
- 7			

UPDATE DEVICES FIRMWARE NEOAPP

Support Handbook

Once it is connected (status: Ready), click the button "File/Firmware".

Connection	Measureme	ent	- Local Routin	ig Matrix
