

SC-95T

Ref: LDASC95TS01

The SC-95T is a 8"+1/2" two-way speaker for 70/100V lines and low impedance that provides a wide power range from 40/20/10/5/2,5W to 100V.

It has an audio crossover to get an optimal response in the whole band.

The ceiling installation is made in a easy way thanks to the pressure screws in the frame.

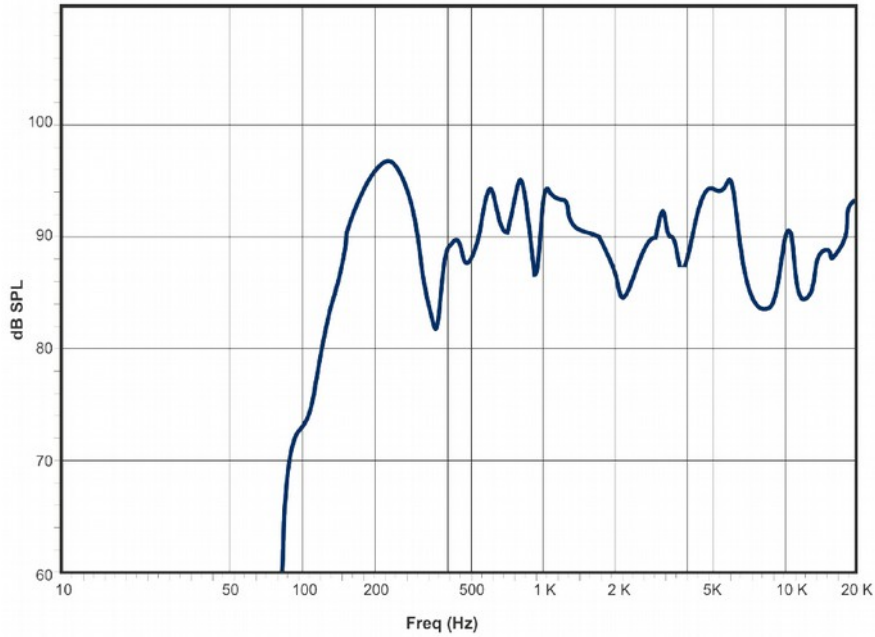

SC-95T features:

- High-performance
- High quality music and voice broadcast
- Low loss transformer for 70/100V lines
- Easy installation
- Metal grille that does not disturb the sound
